

Apprenticeship Training

HOW DO I MEET THE
TECHNOLOGY EXPECTATION

EXPERIENCE-LEARNING
You Learn from Our Experience

www.experience-learning.co.uk

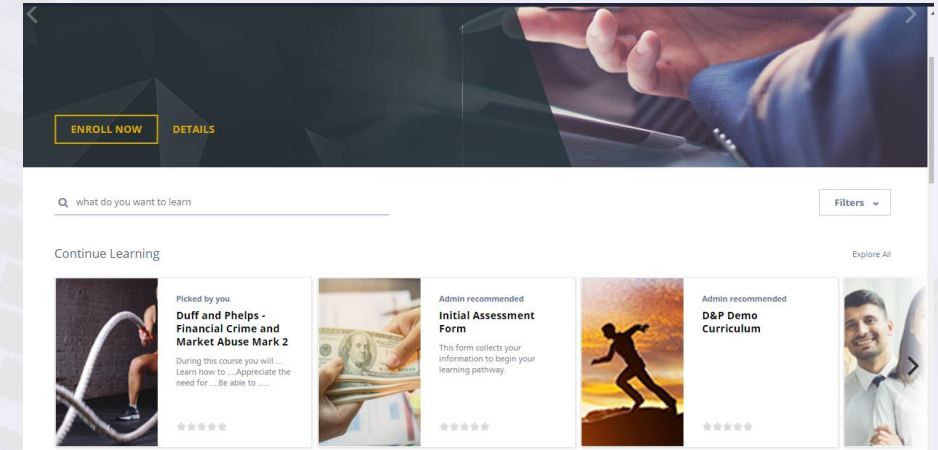

Situation for Training Companies

- AELP stats. 87% apprentices stay, 40% get promoted ✓
- Over 80% of companies and apprentices satisfied ✓
- Government cut-backs, lack of support ✗
- Apprentices expect it should be 'like Amazon' easy
- On the job training, workplace monitoring and mentoring
- So AELP statistics from a recent member survey said ... ✗
 - 17% members worries they might close
 - 28% would mothball their businesses
 - 55% would have to downsize

So, what's the solution – UpsideLMS Learning Ecosystem

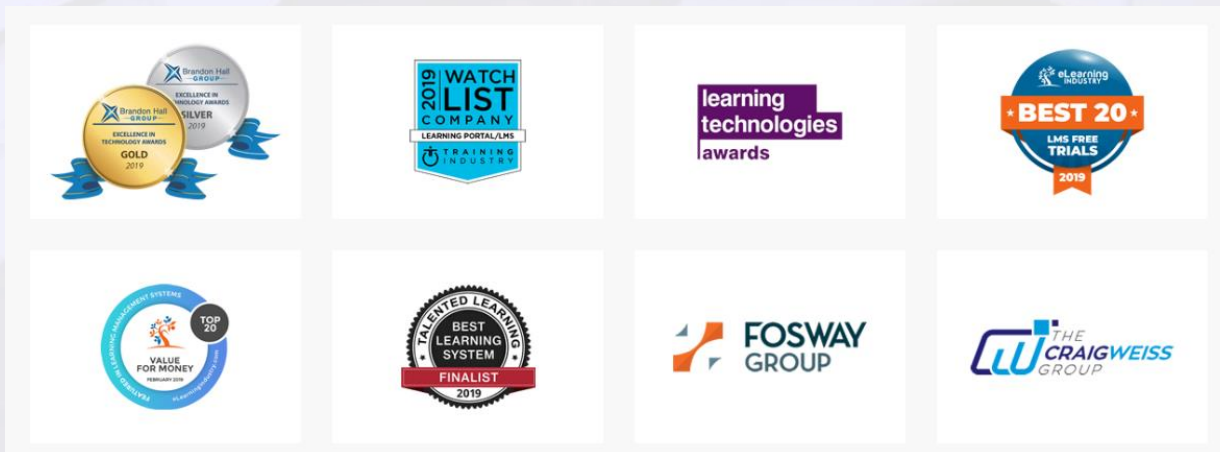

- Easy use on any device with reminders and alerts
- Great apprentice experience 'like Amazon'
- Delivery when its' needed
- Social learning, Collaborative Learning, Virtual classrooms
- Multi-tenancy and marketing/sales capabilities
- Scalability and Performance, standards compliant
- Strong content library and creation environment
- Great reporting and Cost effective for Training companies

What have others found?

“In addition to being excellent value for money, some of Upside’s key strengths are their flexibility & willingness to work with their clients to really understand their needs” ISS Group L&D manager
